RE: Fundraising Opportunity

Valentine's Day February 14th is coming soon! It is a great time to hold a **fundraiser**. We have pre-made bouquets or flowers by the bunch, all at true wholesale prices. We can help by customizing color fliers for you. See the sample flyer on fold out with suggested selling prices (Final selling price is at your discretion).

We sell to florists and grocery stores, and would like to offer you the **same low prices on wholesale flowers, greens, plants and supplies**. Choose to make the bouquets yourself and save the most, or select from our pre-made bouquet list. Our order form is designed to guide you and help you decide which products fit your needs.

We deliver direct to you for a nominal \$18.00 delivery charge for any size order.

The **deadline to order is February 7th**. We recommend delivery the day before your day of preparations or sale date.

Boulevard Florist Wholesale Market is the **only** company offering wholesale prices to the public, with the added convenience of delivery and design services.

Please inquire as to how **Boulevard Florist Wholesale Market** can meet your floral needs for Valentine's Day and year round.

Sincerely,

Marc Granovitz, Owner
Boulevard Florist Wholesale Market

P.S. No need to charge sales tax, as we will add tax on the sale of product to you!
